TARTAS PERMIT APPLICATION REJECTED BY FRENCH GOVERNMENT

The Tartas permit application over an area of 2,821 km² in the Aquitaine Basin in south of France was lodged on 1 October 2010 and has been processed until its recommendation for grant by the French officials in 2015, subject only to the Ministers' approval.

Gas2Grid Limited has received a letter by mail today signed by the Minister of Ecology and Solidarity and the Minister of Economy and Finance advising that its application for the Tartas permit has been rejected in accordance with the new law introduced on 30 December 2017. The Company has 2 months to object on the decision in a Tribunal.
