## EXPLANATORY STATEMENT

This Explanatory Statement provides information to shareholders for the Annual General Meeting of shareholders of Gas2Grid Limited to be held on **29 November 2018 at 11:00 am** at the **Offices of Piper Alderman, Level 23, Governor Macquarie Tower, 1 Farrer Place, Sydney 2000** and it should be read in conjunction with the accompanying Notice of Annual General Meeting.

### **Resolution 2 – Election of Director - Mr David A Munns**

Mr David A Munns a founding Director and is the Chairman of the Board since 2004. Details of his qualifications and experience are on page 12 of the 2018 Annual Report.

### **Resolution 3 – Approval for issue of Shares to Director Mr Patrick W V M Sam Yue under the Gas2Grid Limited Employee Incentive Plan 2016**

The Employee Incentive Plan 2016 (“EIP”) as approved by shareholders gives the Directors, officers, employees and contractors (“Eligible Persons”) the opportunity to participate in the equity of the Company. The Company proposes to issue new fully paid ordinary shares in Gas2Grid Limited (“Shares”) to Director Mr Patrick W V M Sam Yue under the EIP, subject to approval of shareholders at the Annual General Meeting.

Information to shareholders in accordance with Listing Rule 10.15 is as follows:

1. Subject to approval of shareholders, the Shares under the EIP will be issued to Mr Patrick W V M Sam Yue who is a Director of the Company.
2. The maximum total number of securities to be issued to Mr Patrick W V M Sam Yue is 12,000,000 Shares as recommended by the Board.
3. The Shares will be issued at \$0.008 per Share. The issue price per Share is at a premium of 122% to the volume weighted average market price of a Share of \$0.0036 over the last 5 trading days on which sales

were recorded to 15 October 2018, the business day before the proposal was made for the grant of Shares under the EIP.

4. Directors or an associate of a Director or a person who in ASX's opinion must not receive securities under an employee incentive scheme without the approval of shareholders and those who have previously received securities under the EIP or any employee incentive scheme of the Company are as follows: Mr David A Munns - 5,000,000 Shares at \$0.05 per Share, 1,000,000 Shares at \$0.08 per Share and 6,500,000 Shares at \$0.03 per Share; Mr Dennis J Morton – 5,000,000 Shares at \$0.08 per Share; and Mr Patrick W V M Sam Yue - 5,000,000 Shares at \$0.05 per Share, 3,500,000 Shares at \$0.08 per Share, 3,500,000 at \$0.10 per Share, 6,500,000 Shares at \$0.03 per Share, 9,000,000 Shares at \$0.02 per Share and 36,000,000 Shares at \$0.008 per Share.
5. The name of the person referred to in Listing Rule 10.14 entitled to participate in the EIP is Mr Patrick W V M Sam Yue.
6. Subject to approval of shareholders, a non-recourse interest free loan of \$96,000.00 for a term of 5 years will be provided to Mr Patrick W V M Sam Yue from the date of the issue of the Shares. The Company will hold a lien over the Shares until the loan is repaid. If the loan is not repaid at the expiry of the term of the loan or if a disqualifying event occurs, the Company may sell the Shares and after costs apply the sale proceeds to repay the outstanding amount of the loan. If there is a shortfall between the loan amount still owing and the sale price, Mr Sam Yue will not be required to make good the shortfall. If there is a surplus after the sale of the Shares, Mr Sam Yue is only entitled to the surplus if the Qualifying Period (see paragraph below) of the offer of the Shares under the EIP has expired. A disqualifying event occurs when (i) the Director ceases to be an Eligible Person; or (ii) the Director becomes an insolvent under administration; or (iii) the Director has perpetrated fraud against the Company; or (iv) the Director commits a breach of an obligation under the rules of the EIP.
7. The Shares will be issued within 12 months after approval is given by shareholders.

The EIP Shares will be issued under a three month Qualifying Period when the EIP Shares may not be dealt with by the holder. The Shares issued under the EIP have the same rights as other Shares in the Company subject to restrictions on transfer, which apply where a loan made by the Company for acquisition of the Shares remains unpaid.

By accepting an offer of Shares in accordance with the EIP, the Director agrees to be bound by the rules of the EIP. The rules of the EIP comply with the Listing Rules of ASX and Corporations Act 2001 requirements. Any amendment to the rules of the EIP will also be subject to Listing Rules of ASX and Corporations Act 2001 requirements. The EIP may only be amended by a resolution of the shareholders of the Company.

Shareholder approval is sought for the issue of the EIP Shares to Mr Patrick W V M Sam Yue as under Listing Rule 10.14 of ASX the issue of any Shares by the Company to a Director requires shareholder approval. If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1 with the result that the Shares issued to the Director are not taken into account in determining whether the Company has capacity under Listing Rule 7.1 to issue Shares.

Shareholder approval is also sought for the Company to make a non-recourse interest free 5 year loan of \$96,000.00 to Mr Patrick W V M Sam Yue under the EIP to enable him to acquire the EIP Shares. Funds received on repayment of the loan will be applied to general working capital.

The offer of the Shares combined with the grant of the loans to acquire the Shares under the EIP is akin to the offer of five year options exercisable at \$0.008 per option. Applying the Black Scholes Option Pricing model,

the estimated value of the option equivalent being offered to the Director at 15 October 2018 (the business day before the proposal was made for the grant of Shares under the EIP), applying a risk free rate of 2.30% and expected price volatility of the Share price of 177% is \$0.0028 per option i.e. \$33,600 for 12,000,000 Shares offered to the Director.

The Directors believe that the grant of those Shares under the EIP is reasonable share based remuneration supplementing short term cash benefits and incentive that align the interests of the Director with those of other shareholders given the 100% premium built in the pricing of those Shares. Mr Sam Yue dedicates substantial time to the business of the Company discharging the duties of Company Secretary and Chief Financial Officer in addition to overseeing the Company's investment in France and is paid management fees of \$8,000.00 per month and Director's fees of \$25,000.00 per year which have not been increased since 2009 when he joined the Board. The Board, with Mr Sam Yue abstaining, recommend shareholders to vote in favour of this resolution.

#### **Resolution 4 - Approval for issue of up to 350,000,000 new Shares**

Subject to the approval of shareholders, the Company proposes to issue up to 350,000,000 Shares at a price per Share that is at least 80% of the average market price for the Share calculated over the last 5 days on which sales in the Shares were recorded before the day on which the issue is made.

The Shares proposed to be issued have the same rights as other Shares of the Company already on issue.

The amount to be raised is to be applied to the Company's exploration activities, appraisal of corporate opportunities, investment in new ventures, if any, the cost of placement of the Shares and to general working capital.

The Company proposes to offer the Shares to professional and sophisticated investors and other investors who do not require a disclosure document under section 708 of the Corporations Act that are known to the Company and/or introduced by stockbrokers. No approaches have yet been made to investors or stockbrokers on any offer at this time. The Shares will only be issued to those persons that accept an offer, if and after the proposed issue is approved by shareholders at the Annual General Meeting. The Shares will not be offered to related parties. The Company may not issue all the Shares for which approval is given and may issue the Shares progressively as the Company places the Shares with investors.

No Shares approved under this Resolution 4 will be issued and allotted by the Company later than three months after the date of the Annual General Meeting.

The Directors recommend that you vote in favour of this resolution.
