EXPLANATORY STATEMENT

This Explanatory Statement provides information to shareholders for the Annual General Meeting of shareholders of Gas2Grid Limited to be held on 29 November 2019 at 2:30 pm at the Offices of Piper Alderman, Level 23, Governor Macquarie Tower, 1 Farrer Place, Sydney 2000 and it should be read in conjunction with the accompanying Notice of Annual General Meeting.

Resolution 2 - Election of Director - Mr Patrick W V M Sam Yue

Mr Patrick Sam Yue joined the Board in October 2009 and is currently the Chief Financial Officer and Company Secretary of the Company. Details of his qualifications and experience are on page 11 of the 2019 Annual Report.

Resolution 3 - Adoption of Gas2Grid Employee Incentive Plan 2019

The Company has in place an employee incentive scheme known as the Gas2Grid Employee Incentive Plan 2016 ("Plan") which was approved by shareholders on 29 November 2016. The Plan gives the Directors, employees and contractors ("Eligible Persons") the opportunity to participate in the equity of the Company.

The Company has to date issued 65,800,000 Shares under the Plan and or any other employee share scheme of the Company in respect of shares or grant of options over a period of 5 consecutive years. In accordance with the Listing Rules of ASX Limited ("ASX"), after 28 November 2019 the Company cannot rely on Exception 9 of Listing Rule 7.2 to issue securities to Eligible Persons under the Plan. Listing Rule 7.1 of the ASX limits the number of ordinary shares the Company may issue without the approval of its shareholders to 15% of issued capital unless the issue can be brought within one of the exceptions set out in Listing Rule 7.2. Exception 9 of Listing Rule 7.2 permits issues under an employee incentive scheme if within three years before the date of issue the scheme has been approved by shareholders. If the Gas2Grid Employee Incentive Plan 2019 ("EIP 2019") is approved at the Annual General Meeting the Directors may issue securities under the EIP 2019 until its expiry on 28 November 2022. Accordingly, Resolution 3 seeks approval for the issue of securities from time to time under the EIP 2019 during its currency.

The terms of the EIP 2019 are the same as those of the Plan. The Rules for the EIP 2019 are summarised in the following paragraphs:

- 1. The EIP 2019 will be open to full time or part time employees, contractors, Directors and officers of the Company or a controlled entity of the Company ("Eligible Persons").
- 2. Under the EIP 2019, the Directors at their discretion may offer ordinary fully paid shares in the Company or options to acquire ordinary fully paid shares in the Company to Eligible Persons. Shareholders must first approve any offer to a Director or anyone that the ASX considers that approval should be obtained in accordance with the Listing Rules.
- 3. The shares issued under the EIP 2019 have the same rights as other ordinary fully paid shares in the Company subject to restrictions on transfer, which apply where a loan made by the Company remains unpaid.
- 4. The subscription price for shares will be not less than the Market Value of the shares on the day of decision of offer by the Directors i.e. the weighted average of the prices at which the shares were traded in the five business days prior to when the offer is decided by Directors ("Market Value").
- 5. The Company at the time of making an offer to purchase shares may also provide an interest free loan to assist with purchase of those shares. Unless otherwise specified in the offer document the terms of the loan will be as follows: -
 - The loan will be interest free and for a term of 5 years;
 - If a disqualifying event (as defined in the EIP 2019 Rules) occurs, the Company may sell the shares and after costs apply the sale proceeds to repay the outstanding amounts of the loan. If there is a shortfall between the loan amount still owing and the sale price, the employee will not be required to make good the shortfall. If there is a surplus after the sale of the shares the employee is only entitled to the surplus if the Qualifying Period described in paragraph 7 below has expired.
 - If at the expiry of a loan term, a plan participant does not repay the loan, the Company may sell the shares and after costs, repay the loan. Any surplus will be paid to the participant. No shortfall between the sale price and the loan amount will be recoverable from the participant.

- 6. While an offer to take up shares under the Plan will be at not less than Market Value the incentive for Eligible Persons to accept the offer is the granting of an interest free loan to fund all or part of the purchase price.
- 7. In certain circumstances, the Directors may specify in an offer to an Eligible Person that the Eligible Person may not transfer shares for a certain period of time ("Qualifying Period"). Where the Company issues shares under the EIP 2019 and there is a loan granted to purchase those shares, the Company retains a lien over the shares until such time as the loan is repaid in full.
- 8. Options offered under the EIP 2019 are issued free. Options will be exercisable at the price specified in the offer. However, the exercise price will be not less than the Market Value of a share at the time of offer of the option. The term of any option cannot be more than 5 years.
- 9. Options cannot be exercised in any Qualifying Period specified in the offer or in certain circumstances (e.g. the participant ceases to be an Eligible Person).
- 10. The total number of shares issued and under option pursuant to the EIP 2019 or any other employee share scheme of the Company in respect of shares or grant of options over a period of 5 consecutive years will not exceed 20% of the total issued shares of the Company however, the 20% limit shall exclude expired or renounced options and renounced Shares that were offered.
- 11. Options issued under the EIP 2019 will not be listed for quotation on any stock exchange.
- 12. In the event of a reconstruction of the Company's issued capital, the number of options will be reconstructed in a manner so as to ensure that option holders did not receive a benefit, which is not also received by shareholders of the Company and in accordance with the Listing Rules of ASX.
- 13. In the event of a takeover offer for shares in the Company, the Company will use its reasonable endeavours to procure that an offer or invitation is also made to option holders. If this cannot be procured, then option holders will have the right to exercise their options irrespective of any Qualifying Period or other limitations.
- 14. An option holder cannot participate in new issues of securities of the Company without first exercising the option.
- 15. By accepting an offer of shares or options in accordance with the EIP 2019 a participant agrees to be bound by the Rules or other conditions contained in the offer document.
- 16. The EIP 2019 Rules must comply with the Listing Rules of ASX and Corporations Act 2001 requirements.
- 17. Any amendment to the EIP 2019 Rules will also be subject to Listing Rules of ASX and Corporations Act 2001 requirements.
- 18. The EIP 2019 may only be amended by a resolution of the shareholders of the Company.

The detailed EIP 2019 Rules may be inspected during normal business hours at the registered office of the Company by prior appointment with the Company Secretary.

Resolution 4 - Approval for issue of up to 375,000,000 new Shares

Subject to the approval of shareholders, the Company proposes to issue up to 375,000,000 Shares at a price per Share that is at least 80% of the average market price for the Share calculated over the last 5 days on which sales in the Shares were recorded before the day on which the issue is made.

The Shares proposed to be issued have the same rights as other Shares of the Company already on issue.

The amount to be raised is to be applied to the Company's exploration activities, appraisal of corporate opportunities, investment in new ventures, if any, the cost of placement of the Shares and to general working capital.

The Company proposes to offer the Shares to professional and sophisticated investors and other investors who do not require a disclosure document under section 708 of the Corporations Act that are known to the Company and/or introduced by stockbrokers. No approaches have yet been made to investors or stockbrokers on any offer at this time. The Shares will only be issued to those persons that accept an offer, if and after the proposed issue is approved by shareholders at the Annual General Meeting. The Shares will not be offered to related parties. The Company may not issue all the Shares for which approval is given and may issue the Shares progressively as the Company places the Shares with investors.

No Shares approved under this Resolution 4 will be issued and allotted by the Company later than three months after the date of the Annual General Meeting.

The Directors recommend that you vote in favour of all resolutions.
