### **EXPLANATORY STATEMENT**

This Explanatory Statement provides information to shareholders for the Annual General Meeting of shareholders of Gas2Grid Limited to be held on 27 November 2020 at 10:00 am at the Offices of Piper Alderman, Level 23, Governor Macquarie Tower, 1 Farrer Place, Sydney 2000 and it should be read in conjunction with the accompanying Notice of Annual General Meeting.

#### Resolution 2 - Election of Director - Mr David A Munns

Mr David A Munns is a founding Director and the Chairman of the Board since 2004. Details of his qualifications and experience are on page 12 of the 2020 Annual Report.

#### Resolution 3 - Approval for issue of up to 400,000,000 new Shares

The Company proposes to issue up to 400,000,000 fully paid ordinary shares ("Future Issue") at a price per share that is at least 80% of the volume weighted average market price for the share calculated over the last 5 days on which sales in the shares were recorded before the day on which the issue is made.

The shares proposed to be issued have the same rights as other fully paid ordinary shares of the Company already on issue.

The amount to be raised is to be applied to fund the Company's exploration activities, appraisal of corporate opportunities, investment in new ventures, if any, repayment of debts, the cost of placement of the shares and for general working capital.

The Company proposes to offer the shares to professional and sophisticated investors and other investors not requiring a disclosure document under section 708 of the Corporations Act that are known to the Company and/or introduced by stockbrokers. The shares will only be issued to those persons that accept an offer, if and when the proposed issue is approved by shareholders at the Annual General Meeting. The shares will not be offered to related parties or key management personnel or their associates. The Company may not issue all the securities for which approval is given. The Company may issue and allot the securities progressively as the Company places the securities with investors.

Shares approved under this Resolution 3 will be issued and allotted by the Company no later than three months from the date of the Annual General Meeting.

### Application of Listing Rules of ASX Limited to Resolution 3

Subject to a number of exceptions, Listing Rule 7.1 of ASX Limited limits the amount of equity securities that the Company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Future Issue does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the Future Issue and raise capital as may be required to fund its activities. In addition, the Future Issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the Future Issue and will be restricted to raise capital with the issue of new shares without shareholder approval within the 15% limit in Listing Rule 7.1.

Resolution 3 seeks the required shareholder approval to the Future Issue under and for the purposes of Listing Rule 7.1.

#### **Recommendation of Directors**

The Directors recommend shareholders to vote in favour of all resolutions.
